

# It's Time for Costume Orders

We are getting ready for our recital on June 5. All dancers participating must have a class costume ordered. We will measure your child and allow for growth between now and the show. Costumes are not custom made and parents are responsible for alterations if any are necessary. **Please pay on or before Saturday, January 9, 12:00 noon. Those on the Automatic Credit Card plan will be charged along with your January tuition. If you do not pay, a costume will not be ordered for your child.** If you choose for your child to not participate in our recital, you will need to let us know in lieu of a costume payment. In this case, April will be your last month of classes. Costume Fees are not refundable.

**Scholarships:** Please don't forget our scholarship students. If most people would include a few extra dollars in their costume payments, it may mean the difference in these kids being able to participate in the show. Please tell us if you are adding some for the scholarship kids so that we apply the money appropriately. Give us a call if you'd like us to add to your automatic charge before Jan. 5.

**Participation:** Once costumes are ordered, we will begin choreographing the dances according to who is in the performance. It is assumed all who order costumes will remain dancers here until the recital is over. It is very difficult for children to have to change their dances when others drop out. Please do not do this to your child's class and teacher. Attendance is also very important as each class builds on the last when learning routines.

**Tumbling/ Acro:** These classes can be added at any time of the year since they are non-performing classes. Please let us know if you would like to *add one of our exciting tumbling classes to your child's roster!*

**Late orders:** For those that pay after the deadline, I will be placing a second order on Sat. Jan. 30. There will be a \$30 late fee to help cover the shipping for fewer costumes. These costumes are NOT guaranteed to arrive before our picture day or early enough for much alterations. If I call the company and they cannot guarantee a delivery before the recital, I will not order and your child will not be able to participate in the show. In this case, I will refund your payment.

**Recital fee:** Remember, this will be IN ADDITION to the costume fee. Due by March 27, the cost is between \$90 (<5 dances) and \$115 (5 or more dances) per family. **This will be added to your March automatic credit card charges.** This pays for the theatre, techs, ushers, scenery, etc. Recital fee is non-refundable.

Total costume fees added to your January tuition:

Please pay on or before **Sat., January 9, 12:00 noon.** If you do not, a costume will not be ordered for your child. Costume fees are not refundable.
