

## SENIORS, JUNIORS, AND JUNIORETTES Company classes...

For Company classes, **Every time you have a rehearsal is listed.** No more polishing lessons will be held. Please continue to practice on your own for recital. Juniors and Junioresettes will continue their regular time for Ballet Technique until noted. **All other classes that are NOT company level will continue until the main recital note schedule begins (Hip Hop)**

**Note to all:** Please remember, on the limited time we have, if a student does not learn their choreography or is absent from a physical rehearsal, they may not be able to participate in that part of the ballet.

**Note to assistants:** You will still need to come to your assisted classes. If you have a rehearsal at the same time, we may have you go between the rooms. Also come to your assisted classes' rehearsals if you don't have one of your own.
