### Advanced Dance Intensive:

**Experienced and Advanced Ages 12+** (Current Company Students): June 17-21, 9:30a-4:30p (bring your own lunch). Time for some advanced concepts in dance! We will be expanding your variety of knowledge in this well rounded dance intensive. Of course we will offer technique classes in ballet, jazz and tap, a contemporary combo or two, but this dance week is not about choreography. If we get enough enrollment early on we can hire guest teachers alongside your favorite DAB teachers. Some of our possible ideas are modern dance, acro, hip hop, acting, leaps and turns, stretch class, Latin ballroom movement, vocal, yoga, nutrition, African, how to cut music, costume design, improv, Irish dancing, ball massage, counting tap, and potentially field trips for aerial and/or water ballet. Don't miss this and have to hear the stories later. They are still talking about how fantastic last year's intensive was! Come make some memories and stretch your mind!

Pricing: \$320 for camp; \$260 for 2<sup>nd</sup> or 3<sup>rd</sup> sibling if 1<sup>st</sup> sibling enrolled in this camp.
