If you cannot attend or send someone else in, you may come to the new student registration on August 2nd, 3:00-7:00pm or August 10th, 3:00 – 7:00pm or call for another time to register. You may not register before the above times. Please be prepared to choose a class time for students with a choice of classes (remember classes are first come, first serve), so bring your schedules. It is at this time that we will recommend the level at which your child will thrive. Teachers have evaluated **every individual student**.

Bring your credit card (Visa, MasterCard or Discover) so that you can fill out the Automatic Credit Card monthly withdrawal form. At registration, all students will need to pay your registration fee and August payment (½ your regular monthly installment). At registration, you may pay with cash, check or credit card. Those who chose to opt out of our regular payment plan may register by paying their last month installment as well.

Company Registration: Those who were in our Senior, Junior or Juniorette companies last school year, please register on Monday, July 26th. Seniors may arrive between 5:00-6:00 pm; Juniors may arrive between 6:00-6:30pm; Juniorettes may arrive between 6:30-7:30. If you cannot come for this special registration, please attend another registration day, but please try to come to this special day set aside just for you.

*Pointe Readiness Evaluation Class TBA for those invited (minimum of 1 year of Ballet 3 required). Dancers will wear canvas ballet shoes for this class. We have been watching the dancers (Ballet 3+) all year to place them on pointe, but this evaluation will test the students' strength and endurance to make certain they are ready for the physical requirements of dancing en pointe.

We will utilize an appointment schedule again as it reduces wait times!
(but you can still come if you are unable to sign up)

HOPE YOU HAD A GREAT SUMMER!!
CAN'T WAIT TO SEE YOU SOON TO PLAN YOUR FALL!!

Dear Company and Pre-Company parent and dancer,
(please make sure the students read this as well as the parents)

We would love to welcome you back to DAB. We hope you will make the decision to dance because you love to dance and not for the prestige of which class you will be in. It does not matter what level you are labeled if you are learning. By coming to our studio, you and your parents have trusted us to make that decision. Our professional teachers have worked hard to choose the best plan for each child. This is based on ability, age, experience, dedication, maturity and individual personality. All of our placement decisions are final. You may choose to attend a lower level, but not higher than you are placed. We want every dancer to be able to reach their potential with a fine balance of push without overwhelming you.

Once you reach these levels you should expect to be in each one for 2-4 years.

Also, do not worry about who we are moving in to your level. We will not discuss levels of other children with you. You can dance your best regardless of who is next to you. Just like in school, all students do not get all A's, but that won't keep you from getting all A's. The students we move into your class are ready for that challenge and while they may not be able to do all the steps you can now, they have the potential to learn them just as you did when you began the level. We will not water down the classes for the new students, but they must rise to the level of the stronger dancers.

So when you come in to register, that tells me you want to dance. Be ready to remain in your current level, but surprised and excited to move to the next level.

Can't wait to see you!!
