REHEARSAL INFORMATION

- **There is NO dress rehearsal.** Do not wear costumes to rehearsals, just dancewear.
- **STAGE REHEARSALS ARE MANDATORY!!!** Studio rehearsals are very close to mandatory. If necessary, you may need to rearrange other activities or carpool or ask a relative to drive your dancer to these important rehearsals. We only have one recital per year and we want it to be the best it can be. Help your child and her/his class do their best by not missing these important rehearsals.
- **A parent/guardian MUST attend stage rehearsals** with children as we will not be watching them the entire time they are there, and parents will need to know what to do on show day. Please try to have only the chaperone attend with the dancer.
- **DO NOT eat or drink in the auditorium** (backstage is fine). There will be a concession stand at the recital.
- Do not let your child go to the bathroom or wander around alone. Anyone could be at the stage when it is unlocked to the public.
- Bring a jacket, sweater or blanket to rehearsal. The auditorium may be cold when it is not filled up.
- As per your contract at the beginning of the year, each performing weekly class has received at least 31 lessons, plus at least one studio and one stage rehearsal or additional rehearsals have been added.
