NOTES:

- *Please purchase shoes at a dancewear store (not Payless, Walmart, etc.). We recommend Cordova Dancewear. The cost is just a few dollars more and the quality of shoe is much better.
- *If you already own shoes of another color, they will be fine.
- *Please label all belongings with names
- *Place all dance shoes in a bag that your child can recognize.
- *Crying children usually do best if you say a quick goodbye then let the teacher have them. We are used to working with young children and that is part of our job. Don't feel bad.
- *Please be on time. Parents will need to stay with the children until we bring them into the classrooms, then you are free to go. Camp is over at 7:30 pm.
