These special days are set aside for you before we open fall enrollment to the general public to help you find the best classes for your schedule. If you cannot attend or send someone else in, you may come to the new student registration on August 5<sup>th</sup>, 1:00-6:00pm or August 8<sup>th</sup>, 3:00 – 7:00pm or call for another time to register. You may not register before the above times. Please be prepared to choose a class time for students with a choice of classes (remember classes are first come, first serve), so bring your schedules. It is at this time that we will recommend the level at which your child will thrive. Teachers have evaluated **every individual student**.

Bring your credit card (Visa, MasterCard or Discover) so that you can fill out the Automatic Credit Card monthly withdrawal form. At registration, all students will need to pay your registration fee and August payment (1/2 your regular monthly installment). At registration, you may pay with cash, check or credit card. Those who chose to opt out of our regular payment plan may register by paying their last month installment as well.

**We will utilize an appointment schedule again as it reduces wait times!**

She has a BA in Arts Education and is excited to be teaching some of our younger students. New to the DAB family is Aiyanna LaRue, who grew up dancing at Ballet Memphis. Ms. Aiyanna currently dances with Tennessee Ballet Theatre, is trained in the Horton Technique of modern dance and is excited to pass on her love of ballet to the younger generation while teaching most of our Ballet Technique 1 and 2 classes. We are also grateful to have Katye Baker staying with our family in her new role as teacher. After becoming SADM certified, student teaching at DAB, and training in the Acrobatic Arts Syllabus under the guidance of Mrs. Kim over the past several years, she will be teaching some of our tumbling classes as she continues her dance education at the UofM.
