

PICTURE DAYS AT THE STUDIO

May 17th-19th

We will have a professional dance photographer at the dance studio to have dancers' pictures made in costume. Your classes have been assigned times for group pictures. If you wish to have individual pictures you must sign up for a time slot via the sign-up genius link below. If you do not wish to have an individual picture taken, ***please come and join the group picture anyway.*** You are not obligated to purchase the group picture, however if you take an individual picture you are obligated to purchase it.

Individual sign up slots are first come first serve. Slots have been placed around your child's group picture time for your convenience. ***One slot per costume/pose.*** Multiple costumes/poses require additional slots that allow time for changing (do not book back to back slots if your dancer is changing any parts of their costume). At least one digital image must be purchased for every slot you sign up for. **A no show fee of \$32 will be charged for every slot you miss.**

Our photographer is very good at getting a good shot and knowing when she has a "blinker." Often only one shot is needed. Additional shots are at the discretion of the photographer.

You will receive your costume before this date. You will also receive a note explaining how to put the pieces together and which pieces are for which dance.

The classes dancing in the Peter Pan Ballet will have a large group picture made at the recital. Lead ballet soloists may have an individual picture in front of the backdrop that day as well.

We are digital! This means more for your money as...:

1. you will have full reproduction rights and...
2. no limits as to how many copies!
3. Links are emailed to you directly (no waiting for shipping or going out to pick up)

Get your child's group digital image FREE if you purchase an individual image!

See back for group picture times.

Fees are due when you come to have your pictures made.

You must be COMPLETELY ready at your time! We recommend arriving 30 minutes early to get in line and pay. We also recommend having hair and most make up done before arrival and leave only the finishing touches when you arrive. (If you choose to do most/all hair and makeup when you arrive, please arrive earlier to give yourself ample time to do so.) A dressing room will be available. Please be prompt as we will stick as closely to the schedule as possible, but also please be patient as we want every picture to be as great as possible.
