

ATTENTION PARENTS:

As we gear up for the culmination of the school year, this recital folder is full of information to guide you through!

A few REMINDERS:

- All recital fees (separate from costume fees) are due March 23 (\$130/\$155 per family) and include admission and digital downloads of all three shows
- There will be no more private polishing lessons or competition group (mini or company) rehearsals after the last competition.
- May tuition will be the same as always except for those in Tumbling, Acro, Adv. Rotations or those in Ballet Tech that are NOT in the *Peter Pan Ballet*.
- We are closed Fri. Mar. 29-Sat., April 30th for Easter
- ALL FEES MUST BE PAID IN FULL BEFORE YOUR CHILD CAN PARTICIPATE IN OUR SHOW

REHEARSAL INFORMATION

- For those in **multiple classes**, if your rehearsal times overlap, do not worry, we will all be in the same room.
- **There is NO dress rehearsal.** Do not wear costumes to rehearsals, just dancewear.
- **STAGE REHEARSALS ARE MANDATORY!!!** Studio rehearsals are very close to mandatory. We only have one recital per year and hope to make it a great experience for everyone. Help your child and their class do their best and if necessary, please make alternative arrangements so your dancer can attend these important rehearsals.
- **A parent/guardian/chaperone MUST attend stage rehearsals** with children as we will not be watching them the entire time, and parents will need to know what to do on show day. Please try to have only the chaperone attend with the dancer. **DO NOT eat or drink in the auditorium.** Do not let your child wander around alone. This is a large public venue and when the doors are unlocked, we cannot monitor who comes and goes. Bring a jacket/sweater/blanket to stage rehearsals, the auditorium may be cold when it is not filled up.

Getting to The Cannon Center for Stage Rehearsal:

- Please plan your route ahead of time and give yourself plenty of time as downtown traffic/construction/road blocks etc can vary greatly.
- Here is the link to the Cannon Centers route and parking information:
<https://www.thecannoncenter.com/attend-an-event/getting-here-and-parking>
- Fees for parkings:
 - for showday The Cannon Center will charge normal parking fees. There are a variety of parking lots nearby.
 - for rehearsal day fees are still in negotiations (we are trying for discounted/waived parking fees)
