or

(& Early Registration for Company: See below)

These special days are set aside for you before we open fall enrollment to the general public to help you find the best classes for your schedule. If you cannot attend or send someone else in, you may come to the new student registration on August 7th, 3:00pm-7:00pm or August 12th, 3:00pm-7:00pm or call for another time to register. You may not register before the above times. Please be prepared to choose a class time for students with a choice of classes (remember classes are first come, first serve), so bring your schedules. It is at this time that we will recommend the level at which your child will thrive. Teachers have evaluated **every individual student**.

Bring your credit card (Visa, MasterCard or Discover) so that you can fill out the Automatic Credit Card monthly withdrawal form. At registration, all students will need to pay your registration fee and August payment (½ your regular monthly installment). At registration, you may pay with cash, check or credit card. Those who chose to opt out of our regular payment plan may register by paying their last month installment as well.

We will utilize an appointment schedule again as it reduces wait times!

*Pointe Readiness Evaluation Class: Monday, August 5th, at 6:00pm for those invited (minimum of 1 year of Ballet 3 required). Dancers will wear canvas ballet shoes for this class. We have been watching the dancers (Ballet 3+) all year to place them on pointe, but this evaluation will test the students' strength and endurance to make certain they are ready for the physical requirements of dancing en pointe.

She has now completed her teacher training and will be teaching several of our recreational combo classes this year. Also joining us as our advanced ballet teacher is Angelina Broad. She grew up studying ballet, tap, jazz, hip hop, and contemporary before focusing on ballet and then training with the Orlando Ballet. Starting as a trainee with BalletMet in Columbus, Ohio, she was quickly promoted to dance in the professional company. Angelina is currently performing professionally with Ballet Memphis. Rosemary Turner is our next teacher to introduce. Rosemary grew up dancing with Dotti's School of Dance in Germantown. She was childhood friends there with Mrs. Tracy. She participated in the TN Governor's School of the Arts in dance. She then studied as a dance major at Oklahoma City University. She has also choreographed for Mississippi State University and written many unique scripts for dance productions. She taught dance in Georgia, eventually developing and directing Sole to Soul Dance Academy for over 15 years. She has been a member of the Southern Association of Dance Masters for more than 15 years, currently serving as the Second Vice President and Chief Examiner.
